

## FUN AND GAMES RALLIES

We have had such a great response to the Fun and Games rallies that we have booked three more evenings at Barguse. We have also been able to reduce the cost as long as the numbers attending remain high, so please all come along. Any members who were unable to attend the first two rallies are welcome to come along to any of the next three. Please complete your forms and return as soon as possible. We look forward to seeing you all there.
