

Hat Rule 2018

It is mandatory for all Members to wear a protective helmet at all times when mounted with a chinstrap fastened and adjusted so as to prevent movement of the hat in the event of a fall. This rule defines the quality of manufacture that is required. The individual Sports also have additional requirements with regard to colour and type. It is strongly recommended that second hand hats are not purchased.

The hat standards accepted are detailed in the table below:

Hat Standard	Safety Mark	Permitted activities:
PAS 015:1998 or 2011* with BSI Kitemark		All activities
VG1 with BSI Kitemark		All activities
Snell E2001* onwards with the official Snell label and number		All activities
ASTM-F1163 2004a onwards with the SEI mark		All activities
AS/NZS 3838 , 2003 or 2006/		All activities

- For cross-country riding (over 80cm) including Eventing, Tetrathlon, Horse Trials, Pony Racing (whether it be tests, rallies, competition or training) and Mounted Games competitions, a jockey skull cap must be worn with no fixed peak, peak type extensions or noticeable protuberances above the eyes or to the front, and should have an even round or elliptical shape with a smooth or slightly abrasive surface, having no peak or peak type extensions. Noticeable protuberances above the eyes or to the front not greater than 5mm, smooth and rounded in nature are permitted. A removable hat cover with a light flexible peak may be used if required.
- **It is strongly recommended that a jockey skull cap is worn for cross-country riding over lower fences (less than 80cm) as there is research evidence that a fall onto the fixed peak can result in an over extension of the neck backwards with the potential for serious injury.**
- No recording device is permitted (e.g. hat cameras) as they may have a negative effect on the performance of the hat in the event of a fall.
- The fit of the hat and the adjustment of the harness are as crucial as the quality. Members are advised to try several makes to find the best fit. The hat should not move on the head when the head is tipped forward. **Most helmet manufacturers**

recommend you visit a qualified BETA (British Equestrian Trade Association) fitter.

- Hats must be replaced after a severe impact as subsequent protection will be significantly reduced. Hats deteriorate with age and should be replaced after three to five years depending upon the amount of use.
- Hats, must be worn at all times (including at prize-giving) when mounted with a chinstrap fastened and adjusted so as to prevent movement of the hat in the event of a fall.
- For Show Jumping and Mounted Games the cover, if applicable, shall be dark blue, black or brown only.
- For Dressage, hats and hat covers must be predominately black, navy blue or a conservative dark colour that matches the rider's jacket for Area competitions or above. The Pony Club Hat silk is also acceptable.
- The Official Steward / Organiser may, at his discretion, eliminate a competitor riding in the area of the competition without a hat or with the chinstrap unfastened or with a hat that does not comply with these standards.

Hat Checks and Tagging

The District Commissioner will appoint two Branch Officials (one of whom may be the District Commissioner), who are familiar with The Pony Club hat rule, to carry out hat checks and tag each hat that complies with the requirements an **aquamarine** Pony Club, British Eventing (BE) or **British Riding Club (BRC)** hat tag. Linked Centre Members' hats may also be tagged by Centre Proprietors and Regional Co-ordinators. Hats fitted with an **aquamarine** Pony Club, British Eventing (BE) or **British Riding Club (BRC)** hat tag will not need to be checked on subsequent occasions. However, the Pony Club reserves the right to randomly spot check any hat regardless of whether it is already tagged.

Pony Club (**Aquamarine**) hat tags are available to purchase from The Pony Club Online Shop.

Tags may only be fitted by one of the two appointed Branch Officials, Area Representatives, the Health & Safety Committee Chairman, Centre Proprietors or Centre Co-ordinators after they have personally checked the hat.

Tagging indicates that a hat meets the accepted standards, NO check of the fit and condition of the hat is implied. It is considered to be the responsibility of the Member's parent(s) / guardian(s) to ensure that their hat complies with the required standards and is tagged before they go to any Pony Club event. Also, they are responsible for ensuring that the manufacturer's guidelines with regard to fit and replacement are followed.
