Dear

Welcome to the.....Branch of the Pony Club we will do everything we can to make your membership instructive and enjoyable. The Pony Club is the largest Association of riders in the world, and our Branch is but one of nearly 360 in this country. We pride ourselves on being a family unit where parents are welcome and in fact, very often needed as helpers in all sorts of ways.

We are here to help improve your riding and knowledge of horse management. Rallies are arranged where you will be taught by experienced instructors. As your ability improves you will be able to take the various proficiency tests to mark your achievements.

The Pony Club is fun, and we will do our best to make it so. Everyone must join in for this to succeed, so remember to read the programmes we send you.

If you have any problems, please do not hesitate to seek advice from me, or your Instructor. We are here to help you. Please ask your parents to fill in the enclosed form of additional information and return it to me or The Secretary as soon as possible.

As you now belong to a very large voluntary youth organisation known for its courtesy, consideration, good sportsmanship, self-discipline and loyalty be proud to wear your Pony Club tie and badge.

Best Wishes

District Commissioner
